Each evening we will anchor in one of the many bays. On Thursday night we will return to the marina for dinner ashore at one of the many wonderful restaurants. - There is an age limit of 16 years unless all four cabins on the yacht have been booked for the same party or you have arranged for the yacht to be shared with other families with children. - High factor sunscreen is essential (please refrain from using the spray form and scented oil as it mars the boat and can cause slipping). - Bed linen, bath and beach towels are supplied and will be changed once during the week. - Smoking is only permitted on deck and is not allowed in the cabins or saloon areas. - Library, board games and cards available on board. - The waters we sail in are generally calm and guests rarely experience seasickness. Do you require hotel accommodation prior to or after your sailing trip?	Contact Club La Costa Travel on UK Freephone 0800 032 3618 (Mon-Fri 09:30 – 20:00 hrs, Sat 10:00 – 17:00 hrs).
Clothing:	The Mediterranean and the Aegean Sea enjoy a pleasant year-round climate so for most of the sailing season lightweight casual clothes, beachwear and a jumper or light jacket for evenings are ideal. In the shoulder months of April and October, evenings and early mornings can be fresh so mid-weight clothing is more suited. Please pack clothes in soft bags and as far as possible keep luggage to a minimum.		
Footwear:	Concerning what shoes to wear while on the Yacht, it is important that you have the proper footwear in order to ensure safety and keep the boat ship-shape. If you have regular boat or deck shoes, these are ideal. However, if you do not, trainers or sports shoes are welcome so long as they are non-marking (no dark soles), have been cleaned prior to being used on board and are only used on board. Barring these options, you will have to get around the boat either in socks or barefoot.
