NEAREST AIRPORT

Corfu International Airport, Greece

ARRIVAL

Boarding time is 18.00. We will be leaving the port and heading out to sea as soon as all the guests have arrived. Details of arrival procedure will be sent at a later date.

ITINERARY

You will be sailing on either Romy or Nicodemus, identical catamarans belonging to the Yacht Club fleet. Over a two week period we will visit the islands of Paxos and Antipaxos, and the towns of Sivota and Parga on the Greek mainland. The itinerary we take, and the destinations we visit, will be at the discretion of the captain and, of course the weather. A more detailed itinerary will be available at a later date.

YACHT FACILITIES

Air-conditioned saloon with fully equipped galley and fully-stocked bar (including cocktail blender and ice maker), lounging area, chart table with navigation, plasma screen and DVD player. Dining area. Cockpit with outdoor dining area and lounging seats. Hammocks and outdoor freshwater shower on deck. Stereo with indoor and outdoor speakers.

CABIN AMENITIES

Air conditioning, storage space, private shower and electric toilet.

WATER ACTIVITIES

Equipment is provided for water activities: scuba diving, snorkelling, sea kayaking, wakeboarding, water skiing, sea biscuit, fishing, water mattresses. Scuba diving is only permitted on presentation of full certification and insurance, and a £30 charge per dive will be made to non-Yacht Club Members (payable in local currency, exchange rates may vary according to date of payment). Guests are welcome to bring their own equipment if preferred.

CLOTHING

The summers in Greece are hot, so for most of the sailing season lightweight casual clothes are all that are required. However during the shoulder months of the season the mornings and evenings may be cooler. Check out the weather forecast online before you leave. You may want to bring something a little more elegant for your 2 meals ashore but please pack all clothes in soft bags and as far as possible keep luggage to a minimum.

FOOTWEAR

Concerning what shoes to wear while on the Yacht, it is important that you have the proper footwear in order to ensure safety and keep the boat ship-shape. If you have regular boat or deck shoes, these are ideal. However, if you do not, trainers or sports shoes are welcome so long as they are non-marking (no dark soles), have been cleaned prior to being used on board and are only used on board. Barring these options, you will have to get around the boat either in socks or barefoot.

VOLTAGE

220v (50Hz) electrical outlets are available on board for hairdryers (hairdryers supplied) electric shavers etc. A converter or adaptor is recommended if your appliance is not compatible with European sockets (2 round pin type).

LOCAL CURRENCY

EURO (Note: not all restaurants, shops and small hotels accept credit cards and ATM's tend to give out large denomination notes).

VISA REQUIREMENTS

There are no visa requirements for EU Citizens. Should you have a non-EU passport please check if you need a visa.

ALL-INCLUSIVE FEE

The mandatory all-inclusive fee* is payable in 2 instalments, 50% at time of booking and 50% 4 months prior to travel or 100% at time of booking if travel date is within 4 months, subject to terms and conditions. Included are all meals with the exception of two meals taken ashore, all drinks whilst on board, cruising permits, fuel, crew, water, port charges, sports and onboard activities and facilities.

Should you have to cancel after payment, on request, Member Services will issue a letter to present to your Insurers to support any claim.

Please remember to submit the Preference Form and include a telephone number where you can be contacted in Greece. The crew telephone numbers are indicated above and you will be contacted 2 weeks before departure to confirm arrival procedures.

*This all-inclusive charge per person will be adjusted annually to reflect the increases in costs of food, drink, labour, port charges and generally the cost of providing facilities on board.

CREW GRATUITIES

Crew gratuities are not included and are discretionary.

OTHER USEFUL INFORMATION

You will be asked to complete a check-in form when you arrive. If you arrive earlier than the specified check-in time it may be possible to leave your luggage at the yacht. The boats will leave the marina once all guests are aboard after 18.00 and guests will be served welcome cocktails followed by dinner on board at 20.00 giving you a chance to get to know your crew and fellow passengers. Depending on the weather most days there will be a morning and afternoon sail with a stop for lunch in between, and plenty of opportunities for water activities, exploring the islands and coastline and maybe some shopping throughout the day. Each evening we will anchor in one of the many bays. Mid week your crew will find a place for you to dine ashore and a further meal will be taken ashore on your last night.

There is an age limit of 16 years unless all four cabins on the yacht have been booked for the same party or you have arranged for the yacht to be shared with other families with children.

Please refrain from using a spray form of body lotion / sun tan cream and scented oil as it marks the boat and can cause slipping.

Bed linen, bath and beach towels are supplied and will be changed once during the week.

Smoking is only permitted on deck and is not allowed in the cabins or saloon areas.

For your enjoyment you will find a library, board games and cards available on board.

The waters we sail in are generally calm and guests rarely experience seasickness. You may, of course, bring some form of prevention with you, although tablets will be available on board if needed.

Please note: you will be required to complete personal details and sign a liability form at check-in.
